*By now, you may have received our Parent Survey; if not, you will be receiving it soon. Please take time to complete it so we can get the most accurate information. Our goal is to hear from at least 75% of our parents and hopefully all of them are having a positive experience with our school! If there is anything we can do to improve your experience with us please let me know. Thank you in advance for helping us to ensure we are providing the highest quality care.*
