

Merryhill Preschool - Henderson

December Newsletter

From Ms. Karen Lara's desk,

We hope everybody is enjoying this chilly weather as we get ready for the Holidays!! We had so much fun celebrating the holiday season, as all kids came in with their cozy pj's, crazy hair, holiday sweaters and celebrating the holidays while families joined via zoom calls.

Thank you for always making each day a special day for your child and for trusting me and my staff on their learning journey, we look forward to seeing their smiles every day, we enjoy a conversation with them and mostly, watch them have fun in their class.

At this time, I would like to thank you for all that you have done and all that you will do in the coming year.

We will continue to support each other, we will continue to celebrate each other and take pride in the accomplishments of this wonderful community. You continue to amaze me with your commitment and dedication to the children and our school.

I would also like to wish everybody a Happy Holiday, this year has been an interesting year, but a year to bring families together and to appreciate the time that we have to enjoy with the ones we love. I have witnessed our Merryhill Preschool community come together as a true community family and support each other, never losing sight of our purpose... the children.

We are extremely thankful that we can be here with open doors to all families, we could not do this without you and the amazing children in our building. They are the reason we come into the building with a smile on our face and a heart full of love for each and every single one of them.

I wish for 2021 to be a wonderful year that will bring everybody joy, happiness, prosperity and much more for your families and to all.

Happy Holidays and a Happy New Year to all our Merryhill families.

Please see attached files for some information from our school.
