MERRYHILL @ MOUNTAIN'S EDGE

DEAR FAMILIES,

We have been busy little bees here at Merryhill. February we were busy with growing our family. We have 7 new families starting in March. We talked about families, showing kindness, famous African American people in History and learned about Chinese New Year. This month we will be learning about our new families, famous women in history, St. Patrick's Day, Spring, and so much more!

Sincerely,
Mrs. Louis-Jacques

REMINDERS!

As we continue to grow, please allow some time to get here so that we can get you checked in safely and on time. Please remember that Beginners through Pre-K start Circle Time at 8:30am. In order to get everyone ready and settled we urge that you arrive by 8:15 am to allow us to get your little one to class. It is our goal to provide the best learning environment with minimal disruptions.

Also, daylight savings is less than 2 weeks away, don't forget to set your clocks forward on Saturday, March 13th. Your little ones will probably be tired as they adjust to the time change. I

know I usually do :-).
