

Merryhill
School®

Dear Merryhill families,

Every year we plan a Kids Helping Kids project that teaches our children the importance of helping others and coming together to support those in our community that are not as fortunate as we are. There are so many different ways we can support our community and help those in need. Giving either through donations or volunteering is a great way to celebrate and create new family traditions.

This year we are happy to partner with **La Familia Counseling Center** by collecting backpacks and school supplies for children in need.

La Familia's mission is to improve the quality of life for at-risk youth and families of diverse backgrounds by offering multicultural counseling, support and outreach services and programs to help families to overcome adversity, to become empowered, and to succeed in their lives.

We invite our Merryhill families to join us in this community event by helping us collect school supplies and backpacks. If you would like to participate, please bring any school item and/or backpacks to the school between July 19th and August 6th.

Thank you for your support,

Merryhill Staff
