*Happy New Year!*

Welcome to the 2021-2022 school-year! It is amazing how fast the time goes when you are having fun! I know many of you celebrated life transitions (weddings, the birth of a child, moving, etc.), many of you spent the summer with us and we were so happy to have you here for our first summer camp at Mountain's Edge. If you took the summer off, I hope that you were able to spend much needed time recharging for the year ahead. As summer comes to an end, I am excited to welcome you to our second school year. More students, new teachers, and many memories to be made. I am excited about the new year and the possibilities it brings for our students and staff. I know that it is going to be the BEST YEAR YET at Merryhill! I consider myself lucky to work with each of you to serve our amazing students!

*Gracias!!*

Many thanks go out to our families for making this summer a success and helping us grow our program. When we opened our doors last November to our community, we had 2 students. This summer we had over 70 students enter our doors at one point or another and this school year we are starting with almost 70 students. This could not be possible without your support for our school and our staff.

I would also like to thank my families and teachers for your patience and encouragement as we continue to grow. We had a bit of transitions and staff changes almost every other week. This is not always ideal, but finding the right teacher that fits our program needs and cares and loves your little ones is a top priority so sometimes it takes a little longer than anticipated.

However, I am more than positive that our teachers on board for fall are excited to meet your little ones and ready to have a fun-filled year.

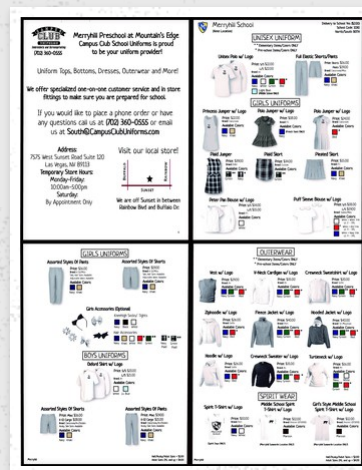

## Staff Changes & Updates

As we continue to grow we will have to open up more classrooms. We will do our best to limit student transitions, but please know we have your child's best interest at the forefront. Please welcome our new teachers, staff, and returning teachers to our Mountain's Edge family!

## Meet and Greet the Teacher - Friday August 6th from 10am - 1pm

As we continue to open we are bringing back some important events that we have had a tradition of doing in the past. While still keeping in mind Covid and limiting exposure, we are scheduling our meet and greets with our teachers like we would Parent Teacher Conferences.
