

FROM HEAT TO HARVEST

EMBRACING FALL VIBES IN LAS VEGAS THIS SEPTEMBER

FALL ACTIVITIES, VEGAS STYLE

Sure, apple picking might not be in the cards, but fear not! Swap out the apple orchard for a visit to the Springs Preserve Farmer's Market. You can pick up some locally grown produce that's as fresh as the beats from last night's DJ set.

THE GREAT PUMPKIN (DECOR) HUNT

Living in Vegas means your pumpkin patch might be the garden section at the local store, but who's to say you can't turn pumpkin decorating into an epic family competition? Go wild with glitter, googly eyes, and maybe even a feather boa or two.

HOMEMADE HARVEST DELIGHTS

Don't just buy those pumpkin-flavored treats – whip up some fall magic in your own kitchen! Gather your mini chefs and experiment with pumpkin-themed recipes that'll leave your taste buds dancing like Elvis.

GET READY TO TRADE THE BLAZING HEAT FOR A TOUCH OF FALL MAGIC! FROM COOLER EVENINGS TO PUMPKIN-SPICED DELIGHTS, SEPTEMBER IN THE MOJAVE DESERT BRINGS ITS OWN BRAND OF SEASONAL CHARM.
