CLASS CONNECTIONS

LOOKING BACK: OUR WEEK IN REVIEW

- In language arts this week, we celebrated our novel study Because of Winn Dixie by watching the film and enjoying treats from a party scene in the novel. Students also created book trailers for the novel using the iMovie app! Students also performed holiday themed reader's theatre plays.
- In math this week, we completed an "Unlock the North Pole" team challenge.
- In social studies this week, we learned about several different winter holidays around the world including Hanukkah, Kwanzaa, and Los Posadas.

LOOKING AHEAD: COMING UP!

- When we return from winter break we will begin a new writing unit with a focus on informational writing. Students will get to choose a topic to write their essay about.
- In math we will begin a new unit with a focus on strategies for adding and subtracting 3-digit numbers.
- In science, we will begin a new unit with a focus on hazardous weather and solutions.
