

April Newsletter

April showers bring May flowers!

A Note From Our Principal

Dear Families,
Happy April! This month, we are looking forward to discovering all the changes spring brings forth. This season provides a great opportunity for children to learn and grow as they discover new things in their environment. Our teachers are planning lots of fun outdoor adventures, lessons, picnics, and more! We are also excited to celebrate Week of the Young Child and Earth Day.

Sincerely,
Miss Peyton, Miss Rian, and Miss Britt

Family Survey Reminder

Our enrolled family survey launched in March. If you have not received the email, please let us know so we can request it be resent. The survey provides the opportunity for you to share your positive experiences within our school community and give feedback on our areas of opportunity confidentially. Survey closes April 5th.

Open House and Family Referral Bonus

Our next Open House is on April 27th, so don't forget about our referral bonus! When you refer a friend and they enroll, you're eligible for a **free week of tuition**. Ask us for details!

Week of the Young Child

Week of the Young Child, April 6-12, recognizes young students, their teachers, and their families for all their hard work. This annual event, sponsored by The National Association for the Education of Young Children (NAEYC), allows us to showcase the importance of early childhood education, our Links to Learning curriculum, and everyone who makes it possible. We have many fun activities planned for Music Monday, Tasty Tuesday, Work Together Wednesday, Artsy Thursday, and Family Friday. More information will be sent via Links 2 Home.

Earth Day

Earth Day is Monday, April 22nd! Our classes will be creating fun activities centering around the importance of protecting our planet. We can't wait to share photos with you.

We will also be celebrating Earth Day with our annual lady bug release at 10:00am on our playgrounds! Families are welcome! If you wish to show your Earth Day spirit, wear your Earth Day t-shirts or red and black like a lady bug. We are looking forward to joining you in this fun tradition!

Did You Know?!

Learning about how to protect the environment provides students with the essential building blocks needed to live an eco-friendly, sustainable lifestyle in the future.

Important Dates
