### **Re-Enrollment**

Thank you to our families who have already secured their re-enrollment for the upcoming school year. Our classrooms are filling quickly and our teachers have already started to plan exciting new activities for next year. For those who have not yet registered, we urge you to complete the re-enrollment process as soon as possible to guarantee your child's spot. Please let us know if you have any questions or need a copy of the Letter of Intent form to complete for the 2024/2025 school year. We look forward to another year of growth, learning, and fun together!

### **Cubby Refresh**

Please make sure to refresh the spare clothing in your child's cubby. Take home anything that no longer fits and leave a spare set of well-fitting, weather-appropriate clothes.

### **Vacation Requests**

Planning on taking a summer vacation? Be sure to submit your Vacation Request at least two weeks in advance. A reminder that each child is eligible for one vacation credit (5 consecutive days/one school week) per school year, which begins again on July 1st. Children with withdraw dates forfeit their vacation benefits and will no longer be eligible for that credit once a withdraw date is submitted. Contact the front office with any questions.
