Fall 2023

A Place to Grow:

Where learning continues beyond the school day

Our Before & After School Programs offer students enriching opportunities for discovery and exploration before and after the normal school day hours. These programs provide numerous options for fun while also reinforcing the essential lessons and values taught throughout the school day.

Extended Day

Our Extended Day program allows busy working families the flexibility to drop-off before the school day starts and pick-up after the normal dismissal time. Our program is organized into five subject areas that are designed to provide your child with opportunities to learn valuable life skills, and to reinforce the skills they're learning during the school day, while providing plenty of time for fun with friends.

Program Details:

- Hours: 6:30 am – 5:30 pm
- Nutritious meals and snacks to help children form healthy eating habits
- Dedicated and specially trained staff members with experience in working with older children.
- Facilities

Clubs & Enrichment

Our Clubs and Enrichment Programs are great ways for your child to expand on their interests or pursue new passions. These can be added in conjunction with our Extended Day Program or independently. This program offers families an opportunity to enroll their student in one or more days of after school activities without leaving the convenience of our campus.

Program Details:

- Hours: Varies by Club & Enrichment
- Nutritious meals and snacks to help children form healthy eating habits
- Dedicated and specially trained staff members in specialty area.
- Facilities
- Special Program

Extended Day

Extended Day

Our program is organized into five subject areas that are designed to provide your child with opportunities to learn valuable life skills and to reinforce the skills they're learning during the school day.

Students explore the exciting world of science, technology, engineering, art and math (STEAM) through building projects, experiments, and design challenges. Sharing ideas, asking questions, and making predictions are encouraged!

Robust outdoor free play and structured games help students learn sportsmanship and develop their physical strength and endurance. Students learn critical thinking and problem solving by participating in board games and team challenges with their peers.

Students express themselves by participating in hands-on visual arts, including photography, videography, drawing, and painting. Students develop planning skills by working on long-term projects with their peers and can participate in group performances or discussions.

Social and emotional growth is nurtured through student and teacher led activities that promote a feeling of community and belonging. Students learn through open-ended activities that give them a chance to apply problem-solving skills and collaborate with friends.

Some students appreciate the chance for independent activities or study after a long day at school. We provide a quiet place to work on homework, read, journal, or seek academic support from peers and teachers. Students can also work on various projects in this small group setting.

Clubs & Enrichment

Spanish Club

This club gives our students the opportunity to develop positive attitude and experience the cultures from Spanish speaking countries like their geographic features, populations weather, popular games, art projects and more. Also allow our students to improve their classroom skill and feel confident learning Spanish as a second language.

Clubs run the week of 9/18- 11/17

Grades: PreK & K

Weeks Offered & Time: Mondays 3:30- 4:15

Cost: \$60

Instructor: Señora Leticia

Spanish Club

This club gives our students the opportunity to develop positive attitude and experience the cultures from Spanish speaking countries like their geographic features, populations weather, popular games, art projects and more. Also allow our students to improve their classroom skill and feel confident learning Spanish as a second language.

Clubs run the week of 9/18- 11/17

Grades: 1st & 2nd

Weeks Offered & Time: Wednesdays 3:30- 4:15

Cost: \$60

Instructor: Señora Leticia

Spanish Club

This club gives our students the opportunity to develop positive attitude and experience the cultures from Spanish speaking countries like their geographic features, populations weather, popular games, art projects and more. Also allow our students to improve their classroom skill and feel confident learning Spanish as a second language.

Clubs run the week of 9/18- 11/17

Grades: 3rd - 6th

Weeks Offered & Time: Fridays 3:30- 4:15

Cost: \$60

Instructor: Señora Leticia

Where the Wild Things Art

This semester we will be exploring many wild and interesting art forms and techniques. We will be using multiple art mediums like paint, clay and paper to create dynamic art projects.

Clubs run the week of 9/18- 11/17

Grades: Pre- K - 1st

Introduction to Painting: Painting Techniques and Color Theory

Weeks Offered & Time: Thursdays 3:45 - 4:15

Cost: \$75

Instructor: Ms. Matthews

Grades: 2nd-6th

Introduction to Sculpting with Polymer Clay:

Sculptures, keychains, earrings and more

Weeks Offered & Time: Mondays 3:30 - 4:15

Cost: \$100

Instructor: Ms. Matthews

Merryhill Dodgeball League

Students will learn the basics of Dodgeball: skills like throwing, catching a ball, teamwork, and most importantly how to have fun and learn important life skills.

Clubs run the week of 9/18- 11/16

Grades: K-2nd

Day: Tuesdays 3:45 pm- 4:45 pm

Cost: \$125

Instructor: Coach Dave

*** League includes team shirt**

Merryhill Capture the Ball League

Students will have the opportunity to participate in the fun-filled Capture the Ball! Students will learn the basic skills of throwing, teamwork and most importantly how to have fun and learn important life skills.

Clubs run the week of 9/18- 11/17

Grades: 3rd-6th

Day: Thursdays 3:45pm-4:45pm

Spots Available: 16

Cost: \$125

Instructor: Coach Dave

*** League includes team shirt**

Technology & Engineering

Techie Bot Club

Coding adventures await for students of all grade levels! Join us for Techie Bot Club! See below for more information on what's offered.

Clubs run the week of 9/18- 11/17

Grades: PreK & Kinder

Weeks Offered & Time: Mondays 3:30 to 4:00

Cost: \$80

Instructor: Ms. Imran

Dash Block Coding: Let your little ones embark on a coding journey with Dash! They'll use simple block coding to make Dash move, dance, and even talk.

Blue Bot Adventures: Dive into the world of Blue Bot! Young learners will explore basic programming concepts while having fun with this friendly bot.

Ozobot Explorations: Discover the magic of Ozobot! Your kids will learn to program Ozobot to follow paths, complete challenges, and explore coding in a playful way.

Sphero Adventures: Get ready for Sphero adventures! Kids will code Sphero to navigate mazes, play games, and develop their coding skills.

Techie Bot Club

Coding adventures await for students of all grade levels! Join us for Techie Bot Club! See below for more information on what's offered.

Clubs run the week of 9/18- 11/17

Grades: 3rd-6th

Weeks Offered & Time: Tuesdays 3:30 - 4:15

Cost: \$125

Instructor: Ms. Imran

Lego Coding: Little builders will use programmable Lego blocks to create and code their own imaginative creations, from robots to vehicles and more.

Make Bot Fun: Dive into the world of robotics with Make Bot! Kids will learn to program their robot friends to complete exciting tasks and challenges.

Augmented Reality (AR): Step into the future with AR! Children will craft their own augmented reality experiences using their mobile devices.

Cue Adventures: Cue the robot is here for interactive coding fun! Kids will code Cue to perform tricks, navigate obstacles, and unleash their creativity.

Sphero Adventures: Explore the world of Sphero! Kids will code Sphero to solve puzzles, play games, and dive into the world of robotics.

Techie Bot Club

Coding adventures await for students of all grade levels! Join us for Techie Bot Club! See below for more information on what's offered.

Clubs run the week of 9/18- 11/17

Grades: 1st & 2nd

Weeks Offered & Time: Wednesdays 3:30 - 4:15

Cost: \$100

Instructor: Ms. Imran

Lego Explorations: Even our youngest tech enthusiasts can enjoy Lego adventures! Introduce your little ones to the world of building and coding with Lego.

Make Model Bot: Let's make and code together! Kids will build their model bots and learn the basics of programming in a fun and creative way.

Minecraft Coding: Discover the power of coding within Minecraft! Kids will create mods and add new features to the game, turning their ideas into reality.

Augmented Reality (AR): Dive into the world of AR! Young learners will use their iPad devices to create and explore immersive digital experiences.

Cue Adventures: Cue is here for hands-on coding fun! Kids will use code to make Cue perform tricks and navigate exciting challenges.

Other Clubs

Voice Training and Piano

This class will introduce our youngest students to the foundation of piano and singing. They will explore different tunes and will be able to grow in their music skills.

Clubs run the week of 9/18- 11/17

Grades: PreK
Weeks Offered & Time: Tuesdays 3:15 - 3:45
Cost: \$75
Instructor: Ms. Karamatova

Piano

here will be 3 thirty minutes classes for each group of 4 students which will help students to learn foundational piano skills, so students will be able to play and read songs.

Clubs run the week of 9/18- 11/17

Grades: 1st-6th
Weeks Offered & Time: Mondays 3:15 - 5:30
Cost: \$150
Instructor: Ms. Karamatova

Recorders

This class will focus on learning notes to play different tunes on Recorders. Come join the fun!

Clubs run the week of 9/18- 11/17

Grades: 1st-3rd
Weeks Offered & Time: Thursday – 3:15 to 4:00
Cost: \$100
Instructor: Ms. Karamatova
